

Neo4j, Inc. Company Profile

Company Name

Neo4j, Inc.

Locations

Headquartered in San Mateo, California, Neo4j also has regional offices in Sweden, Germany and the UK.

Overview

Neo4j, Inc. is the graph company behind the leading platform for connected data. The [Neo4j graph platform](#) helps organizations make sense of their data by revealing how people, processes and digital systems are interrelated. This connections-first approach powers intelligent applications tackling artificial intelligence, fraud detection, real-time recommendations and master data.

The company boasts the world's largest dedicated investment in native graph technology, has amassed more than ten million downloads, and has a huge developer community deploying graph applications around the globe.

Customers

More than 250 commercial customers, including global enterprises like Walmart, Comcast, Cisco, eBay and UBS use Neo4j to create a competitive advantage from connections in their data.

Other significant customers include HP, Airbus, Pitney Bowes, Volvo, Monsanto, Marriott International, Orange, AstraZeneca, LinkedIn and Telenor.

Product Overview

The Neo4j Graph Platform takes a connections-first approach to data. It broadens a company's ability recognize the importance of persisting relationships and connections through every transition of existence: from idea, to design in a logical model, to implementation in a physical model, to operation using a query language and to persistence within a scalable, reliable database.

Neo4j's Graph Platform includes the following components:

- **The Neo4j native graph database** for transactional applications
- **Graph analytics** help data scientists gain new perspectives on data
- **Data integration** expedites distilling tabular data and big data into graphs
- **The Cypher graph query language** is the bridge to big data analytic tooling
- **Neo4j Bloom** provides intuitive data visualization for non-technical users

Investors

Neo4j is privately held and funded by Eight Roads Ventures (an investment arm of Fidelity International Limited), Sunstone Capital, Conor Venture Partners, Creandum, Dawn Capital and Greenbridge Investment Partners.
